

# City of Rye

May 21, 2007

City Hall – 7:30pm

## Flood recovery workshop

### A. Welcome and introductions (Mr. Scott Pickup, City Manager office)

\*\*\*The City of Rye is pleased to have several top officials with FEMA, SEMO, SBA and other agencies with us this evening. Rye was one of the first communities in the region to take action on flooding with Project Impact. Tonight we will discuss topical solutions that people can individually select. This meeting will be broadcast by RTV and made available to other communities for use. Panelist will take assigned seating by agency at the front.

### B. Helping with the recovery

Messrs. Pickup and Genito will facilitate discussion ...

#### For FEMA:

Mildred Wordsman, Area Field Officer Director

Laird Basehoar, External Affairs Officer

Bruce Swiren, Community Mitigation Programs Branch Chief, Region II

Chris Markesich, Natural Hazards Program Specialist

Also- representative from the Individual Assistance Program

#### For SEMO:

Mark Ferrari, Regional Director

William Nechamen, State NFIP Coordinator

#### For SBA:
